INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with the requirements of 37 CFR §1.56, applicants submit the documents attached hereto. Pursuant to the United States Patent and Trademark Office, OG Notice 05 August 2003, applicants have excluded the four (4) U.S. patent documents from the attachment. A listing of said documents on form PTO-1449 is also attached. All documents listed on the PTO-1449 are to be made of record in the above-identified case.

The present Information Disclosure Statement is being filed within three months of the date of entry into the U.S. National Stage; therefore, no filing fee is believed to be required. If a filing fee is required, the Commissioner is hereby authorized to charge applicants' deposit account 01-1350 for the full amount of said fee.

Copies of the International Preliminary Examination Report dated March 18, 2004 and the International Search Report dated December 2, 2003 are enclosed herewith.

German Democratic Republic Application No. DD 287 392 and Japanese Patent Application No. JP 58 091463 are not in the English language. A concise explanation of the relevance of these references is provided by the enclosed International Search Report. Additionally, applicants submit herewith an English language copy of Derwent Abstract No. 008711875 for DD 287 392.

This Statement is not intended to represent that no better art exists. Applicants reserve the right to contest the applicability of the documents attached hereto as prior art in the event that any information is discovered which demonstrates that said documents do not qualify as prior art.

Consideration of the present Information Disclosure Statement is respectfully requested. The claimed invention is, however, deemed to represent a patentable departure from the teachings of the prior art.

Respectfully submitted,
